

SENIOR LEISURE ASSISTANT September 2022

Thank you for showing an interest in this post. We hope that the following information about St Helen's and description of the school and role will help you to decide that this is an application which you wish to pursue.

WELCOME TO ST HELEN'S

St Helen's is a large, thriving all-through school and many of the girls who leave us at the end of Year 13 have been with us since Nursery or Reception. We are ambitious for every single girl: that she achieves her potential; that she leaves us to embark upon an exciting and fulfilling future, able to deal with whatever life throws at her with a calm, inner resolve, and a sense of fun; that she is ready to go out into the world and make a difference. St Helen's has a long tradition of academic excellence which encourages girls to pursue intellectual curiosity beyond the curriculum. Our GCSE results put us very securely into the top 50 independent schools in the country each year. Sixth Formers go on to established, high-ranking universities including Oxford and Cambridge, with more than a third studying STEM subjects. However, we give our girls much more than just academic success; our co-curricular programme is rich and varied, and our pastoral care ensures that every girl is valued and cared for.

Within easy reach of central London, our school is set in 21 acres of lovely grounds and, just as we are proud of our students' academic achievements and their personal development, we are also proud of our facilities and buildings. We have invested over £20 million in a building programme over the last five years and have plans to do more.

St Helen's has a warm and lively atmosphere that makes it a really exciting place to work. Our staff and our girls look out for each other and encourage each other to be the best possible version of themselves. As such, you will play a vital role in supporting the school in the next stage of its journey and I look forward to receiving your application.

Alice Lucas, Headmistress

THE SCHOOL

St Helen's is an academically selective independent girls' day school of more than 1100 students aged 3-18, set in beautiful green space in Northwood, North-West London.

It draws pupils from a wide area of north-west London, Buckinghamshire and Hertfordshire with easy access by Underground from central London.

Our aims are:

- To provide each and every girl with the opportunity and means to achieve academic excellence;
- To provide our students with the personal skills, emotional resilience and the confidence to achieve their full potential through a varied, rich and challenging co-curricular programme;
- To know, value and respect all girls as individuals so as to best support them on their journey through the school;
- To ensure that the girls are ready to play a full and active part in their communities and in an interconnected digital world.

Our students achieve high academic standards, and we encourage them to develop lifelong skills in a diverse range of areas, both within and outside the curriculum, and to pursue their individual ambitions. The School is proud of its tradition of providing a balanced and forward-looking education through which its pupils can become confident, independent learners and leaders in their fields, their professions and their communities. Attention to the individual child is at the heart of everything we do and shapes the pastoral care, teaching and learning and the co-curricular opportunities on offer at St Helen's.
